

Three Steps to Begin Your Journey

***First Step:** Call (414-425-2971) and sign up for a FREE -½ hour private lesson.

The reason its free is so you can come in, see the studio, and see the way we teach. In the case of a child you, as a parent, will not only see what we teach but also see how your child responses to the class. You will be able to determine if he or she is ready. We do not use pressure sales. We want the child or person taking the lesson to be happy before we go on to the 2nd part of the journey.

***Second Step:** If you want to continue, we offer a Trial Program for only \$49.95. This program consists of three - ½-hour private lessons. It is during this time that you or your child will be taught more of the basic techniques of karate. The last class is dedicated to self-defense against common attacks grabs, chokes, bear hugs. It is showing you or your child what you are becoming involved in prior to making any sort of commitment.

***Third Step:** After the Trial Program is completed, we will sit down and talk about what type of a program you wish to sign up on. We have various programs available. The costs vary with each program. Keep in mind we teach Okinawan Shorin Ryu karate which is a very classical, ancient form of karate.

If you or your child should join, you (or your child) will be expected to be dedicated, disciplined and committed to the training. Your child will be taught age appropriate techniques. They will be required to train and act in an appropriate manner both in and outside the dojo. We are willing to do everything in our power to help our students succeed and reach their goals, but it does require effort on student's part. Students need to attend classes on a regular basis and do the work that is required. Keep in mind at first it is difficult, but everything at first is difficult. It is a great life lesson. If you decide to join, you have reached the 3rd and final step of your journey.

Welcome to the Dojo. We know with the proper attitude and effort you will have a positive life changing experience so let us start our journey together.
